## Child Sponsorship

---

### WHAT IS AMIGOS DE LOS NIÑOS (ADLN)?

ADLN is a Christian-based non-profit organization that meets the educational, physical and spiritual needs of impoverished children and their families in Frontera, Mexico. ADLN supports a kindergarten that provides a Christian education, meals, transportation and uniforms to 70 children who otherwise would not be able to afford public kindergarten. In Mexico, two years of kindergarten are required before one may enter first grade. While there is no tuition in the public kindergarten, many families cannot afford the supplies and uniforms that are required. As a result, many children receive no education, and the cycle of poverty continues into the next generation. The goal of ADLN is to keep the future alive for these children who easily fall through the cracks of the Mexican education system.

### WHAT IS AN ADLN CHILD SPONSOR?

An ADLN child sponsor matches up with a student and provides \$30 per month for a period of two years during which the child is enrolled in the ADLN kindergarten. These funds help pay for uniforms, meals, supplies and the operating costs of the kindergarten. In addition to your financial support, ADLN will help you and your sponsored child exchange pictures, Christmas cards and other simple gifts.
